Re: Additional Data at Site 2E, 15 and 24 and
Proposed Trenching Locations for Sites 1 and 2E

Dear Mr. Toth:

Enclosed please find two packets of information as requested. One packet contains Chapter 1 Figures and Tables for the CMS of Sites 2E, 15, and 24. This information, together with the RFI, provides the complete field exercise for the respective sites.

The other packet provides the figures for trenching at Sites 1 and 2E, as well as the closeout report for the UST at the northwest corner of Building 301. Based on this information, we would like to discuss final plans for the trenching effort to be conducted in September, 1995.

Please call Mr. Jim Harris, RPM, NAS Oceana at (804) 322-4776, if you have questions or need additional information with regards to this submittal.

Sincerely,

J. F. HARRIS, P.E.
Remedial Project Manager
Installation Restoration Section
(North)
Environmental Programs Branch
Environmental Quality Division
By direction of the Commander
